- 1. The lenders would form a new entity ("Newco"). Newco would be either a corporation or a limited liability company. The First Lien loans would be deemed contributed to Newco.
- Newco would purchase all of the interests in Heritage from its members for \$10.00.
- Revenue Ruling 99-6 provides that on a sale of all of the interests of a partnership for tax purposes (which would include a limited liability company), the sellers are treated as selling "partnership interests". On the other hand, the buyer is deemed to be buying the assets of the partnership. As a result, from the Heritage members' perspective they would be treated as selling all of the interests in Heritage. Newco would be treated for federal income tax purposes as purchasing the 99% partnership interests in each of the limited partnerships held by Heritage and the 1% partnership interest held by Truckee Springs. Further, assuming that the general partner of each of the limited partnerships in turn sells its general partnership interests to Newco, Newco would be deemed to have owned the real estate owned by the limited partnerships (since each of the partnerships would have terminated for federal income tax purposes). At that point Newco would own all of the real estate.
- 4. For federal income tax purposes, labilities of Heritage allocable to such member (which the transaction relieves the member of) minus the member's tax basis in its Heritage interest. This gain would be treated as long-term capital gain (except to the extent Heritage holds, directly or indirectly, assets subject to Section 751 of the Code, generally inventory or receivables arising
- 5. Therefore, contemporaneous with or subsequent to Newco's purchase of the Heritage membership interests, The Rhodes Companies, LLC the general partner of each of Tick, LP; Glynda, LP; Jackknife, LP; LP; Batcave, LP; Overflow, LP; Wallboard, LP; and Chalkline, LP, -- shall sell its general partnership interests in such acquired from its sole member -- Sagebrush Enterprises, Inc. in consideration for release of its obligations under the First Lien Lender Claims.
- 6. Newco's members may agree to continue Newco as an LLC, file a check the box election effective the day after the Effective Date to treat Newco as a corporation for tax purposes, or convert into a corporation as of the day
- 7. The holders of the Heritage membership interests and Newco will report the sale and purchase of the Heritage membership interests in accordance with Revenue Ruling 99-6, 1999-1 CB 432.
